FRIDAY'S PROGRAM—

J. Parker Read, Jr., Presents
HOBART BOSWORTH "HIS OWN LAW"
IN
by Frank Brownlee, personally supervised by J. Parker Read, Jr.
Distributed by Goldwyn

COME ON! As MacNeir challenged the fighting mob, so does this great motion picture invite comparison with any ever screened for sheer virility of action, intensity of plot, realism in acting and photography. It is a smashing story of two pals who loved the same girl—

of a clash between friendship and love—and of a code of honor stricter than any written law. Do not miss this big film.

You remember the story of the Pitcher—

It made a good many trips to the well and it came back in good order.

"I can take care of myself," it said—"they don't need to talk about risks to me."

But it went once too often.

After that it was only part of a pitcher, and they didn't need to talk to it about risks—it knew.

A lot of people won't believe coffee can harm them until it does harm them.

"Nonsense!" they say, "it never disturbs me."

When it does disturb them, then they know.

Often the disturbance which they then recognize is the result of irritations to nerves and digestion which have been going on for a long time.

If you have to lie awake at night and count the clock ticks, after an evening cup of coffee, then you know that it's better to be safe than sorry.

The risk of coffee's harm is gone when the meal-time drink is Postum.

Here's a delightful and satisfying table beverage, with charm for the taste and without harm for nerves or digestion. You know you're on the right road with Postum; there's never the possibility that you'll go once too often.

Postum comes in two forms: Instant Postum (in tins) made instantly in the cup by the addition of boiling water. Postum Cereal (in packages of larger bulk, for those who prefer to make the drink while the meal is being prepared) made by boiling for 20 minutes.

"There's a Reason" for Postum

Pain In Muscles And Joints Caused By Rheumatism

To Get Genuine Relief You Must Clear Your Blood of Waste Products.

If we could keep our human bodies clean of the poisons which accumulate in them daily, and give them the full benefit of proper diet, we should live far beyond the average span of human life.

But alas! We realize only too often that we have an excess of waste products in our system. This poisonous waste matter not only causes a lowered vitality and many forms of skin disorders, but it also causes rheumatism—a disease that has no equal for pain. Genuine relief from the agonies of rheumatism can be had only by correcting the basic trouble—waste products.

Thousands and thousands of men and women during the past 50 years have cleared their blood of waste products with S. S. S. It is the ideal remedy for rheumatism, because it removes the poisonous waste matter which is causing the trouble. There are no bad after effects and the result is wonderful. Begin taking S. S. S. today and write for 56 page illustrated booklet, "Facts About the Blood"—free.

Personal medical advice, without charge, may also be had by sending a complete description of your case. Address: Chief Medical Director, Swift Specific Co., 733 S. S. S. Laboratory, Atlanta, Ga. All good drug stores sell S. S. S.

GIVE A BABY SYRUP PEPSIN

Constipation, biliousness and like annoying ills will quickly disappear

A MOTHER is always anxious to give the safest and best medicine to a constipated baby, but is puzzled which to select. Let her decide by the ingredients on the package.

Every bottle of Dr. Caldwell's Syrup Pepsin has the formula printed plainly on the outside of the carton under the portrait of Dr. Caldwell, who wrote the prescription in 1892. You will find that it is a combination of Egyptian Senna and other simple laxative herbs with pepsin. It will not gripe the baby, and it is free from narcotics. A bottle sufficient to last a family several months can be had at any drug store, and the cost is only about a cent a dose.

While no one, young or old, need take a drastic purgative like salts or calomel, be especially careful what you give a

child. Some contain minerals, coal tar and other drugs that might prove dangerous by over stimulating the intestines or depressing the heart. The ingredients of Dr. Caldwell's Syrup Pepsin are recommended by the U. S. Pharmacopoeia.

Half-Ounce Bottle Free

Free of charge, no matter how small the bottle, if you send a full-size bottle of my Syrup Pepsin FREE OF CHARGE so that you will have it handy when needed. Study each name and address to Dr. W. B. Caldwell, 314 Washington St., Manchester, N. H. Write me today.
